Reasons for Allowance

Claims 1 – 27 are allowed over the prior art of record. An examiner's statement of reasons for allowance is given in the following:

Those claims are allowed because the prior art does not teach or fairly suggest *combining inspection information of an area of interest (AOI) and design geometry information outside the AOI to facilitate generating an simulated wafer image for use in a mask design* in combination with other limitations as recited in independent Claims 1, 11, 18, 25, 26 and 27, respectively.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
